Creative leader with 15+ years of experience guiding teams and shaping brand identity. Skilled in art direction, campaign leadership, and hands-on production across digital, social, and print. Known for clear communication, collaborative leadership, and delivering high-quality creative that drives business growth.

ASSOCIATE CREATIVE DIRECTOR

Sierra TJX, Framingham, Massachusetts 2018–2025

- Directed design team for multi-channel campaigns spanning email, web, social, and paid media.
- Led high-volume branded photo shoots and seasonal storytelling campaigns that energized brand presence.
- Strengthened brand identity through cohesive creative direction across national retail marketing efforts.

SVP/CREATIVE DIRECTOR

Hoffman and Partners Advertising (formerly Gearon Hoffman), Boston 2008–2018

- Oversaw strategy, design, and production across diverse formats including print, TV, billboards, digital, and catalogs.
- Directed creative execution and shaped brand messaging for a wide range of clients such as Prudential, Museum of Science and Boston Interiors.
- Built client trust through consistent delivery of campaigns across industries and platforms.

SENIOR ART DIRECTOR

House Beautiful Magazine, New York 2004–2006

- Designed editorial layouts and art-directed photo shoots for interiors and lifestyle features.
- Partnered with Creative Director to evolve the magazine's visual identity while honoring legacy brand standards.

ART DIRECTOR

CMJ Music Network, New York 2002–2004

- Led design and production for a monthly music magazine spotlighting emerging artists.
- Created advertising and marketing collateral across print and digital platforms.

ART DIRECTOR

Food & Wine Magazine, New York 2000–2002

- Directed food and lifestyle photo shoots, creating editorial imagery that elevated reader engagement.
- Oversaw design team to maintain a distinctive visual identity across multiple issues annually.

SENIOR ART DIRECTOR

Sony Style Magazine, New York 1998–2000

- Co-created lifestyle magazine for Sony and led its successful launch into the consumer market.
- Oversaw design, photo direction, and production from concept through final execution, ensuring on-time delivery of every issue.
